COURSE CREDIT APPLICATION FORM

Information related to course credit :

1. For the application to be processed further, the students need to provide a statement of attainment or statement of results as evidence of their completion of the unit, issued by a registered provider in Australia.
2. A course credit application must be lodged within 14 days of enrolment in a course.
3. Wattle College will not be accepting the course credit application once 14 day period has passed.
4. If the application gets approved, the course length will be shortened accordingly.
5. The student will be communicated the outcome of this application within 10 working days.

Declaration

1. I declare that I wish to apply for course credit as outlined in this form
2. The attachment with this form is a photocopy of my original academic document. All the information provided in this document is correct and complete.
